

Welcome to the HAWKE’S BAY TRAILS

THE HAWKE’S BAY TRAILS ARE MADE UP OF THREE NATIONAL CYCLE TRAILS LINKED TOGETHER ACROSS 200+KMS, PROVIDING A SAFE AND NOT TOO STRENUOUS WAY TO CRUISE THE COAST OR WOBBLE YOUR WAY AROUND THE WINERIES.

Beginner riders, keen cyclists, walkers, and runners alike can enjoy the mainly off-road trails that let you take in the best of Hawke’s Bay.

Pick your own route or choose from one of our themed rides that take in the Heretaunga Plains, and beautiful lowland rivers to endangered wetland wildlife and the sweeping Hawke’s Bay coastline. Some say the best bits are the local distractions.... you are never far from a cafe, winery, ice-cream or local artisan grower.

The Big Easy held every Easter is a “go slow” cycling event held on the Hawke’s Bay Trails – it’s about the stopping as much as the riding! Check out the details at www.thebigeasy.co.nz

REST YOUR WEARY HEAD

Check out our regional website hawkesbaynz.com for a massive range of accommodation options on or near to the Hawke’s Bay Trails. Many offer secure bike parking if you bring your own bike and all will go the extra mile to ensure your stay is an enjoyable one.

THE JOURNEY

The first off-road pathway was opened in Napier in 2002 with the support of Napier City and local Rotary Clubs. A decade on, the 200+ kms of trails, have been embraced by the whole region and are one of the ‘Great Rides’ of ‘Nga Haerenga - The New Zealand Cycle Trail’, confirming Hawke’s Bay as ‘Heretaunga Ararau – the land of a hundred pathways’.

SITE

WATER RIDE

Perfect for families, and easy riders, the Water Ride is flat with lots of places to start your ride from. The ride takes in Napier and the surrounding area, from Bay View in the north to Clive in the south-east and Taradale and Puketapu to the west, you'll encounter bustling cafes, shops and bars, wineries and some great coastal and rural views.

The Estuary Loop meanders through the wetlands out to the coast at Bay View and back to Westshore or Ahuriri and offers winery, café and bar stops with lots to see en route. The Puketapu Loop offers a charming country pub, restaurant and general store, parks, a nearby winery and an historic church.

LANDSCAPES RIDE

What a great way to explore the coastal communities of Haumoana, Te Awanga and Clifton which border the coastline of iconic Cape Kidnappers. The Cape is home to the world's largest mainland gannet colony and one of the world's top 40 golf courses.

Head inland up the nearby valley via the more challenging Tuki Tuki River Road Loop and back down the easier off-road trail. You will overlook vineyards, orchards and the river. Enjoy changing scenery, especially awesome in autumn, views of the impressive Te Mata Peak and stop at the cafes or wineries on the western side of the trail.

WINERIES RIDE

Covering a good part of the fertile Heretaunga Plains, bordered by the Ngaruroro River and the Hastings City boundary, the Wineries Ride covers mainly flat terrain with a mixture of off-road trails and on-road connections.

Why not try a Wineries Mooch - a fantastic sociable trail around the wine-growing areas of Bridge Pa and the Gimblett Gravels. This easy going off-road section of the trail is dotted with many award-winning wineries and eateries that give you plenty of places to stop, rest and refresh along the way.

You can extend your ride here, through Hastings historic tree-lined Oak Avenue and along the banks of the Ngaruroro River to Fernhill.
