

Panettieri

AUTHENTIC ITALIAN CUISINE

Panettieri is a celebration of all that is good and delicious

Italian artisan foodie Deanna Defina makes an assortment of light and luscious pastas, juicy meatballs and rich and tasty pasta sauce. Her made-with-love offerings are the perfect fix for a grand feast with loved ones or a quiet night in for two.

Inspired by Dee's larger-than-life Panettieri family who gathered around the long table for loud and generous meal times, and infused with all the glorious freshness she has come to love in New Zealand, Panettieri provides sustenance for body, mind and soul.

Panettieri uses the best quality ingredients and is handmade maintaining the tradition of Dee's mother and grandmother. Let the tradition continue ... enjoy Panettieri, embrace family, friends, warmth, generosity, laughter and sharing.

"After savouring the sublime flavours and textures of Panettieri pasta ourselves we now proudly serve the range of Panettieri pasta at Greenhill Lodge to our discerning international guests and the feedback is overwhelmingly positive."
